Available colours:

Technical possibilities

printing method: flexo
 max. number of colours: 2
 colour standard: PANTONE

A = width of material : 33 cm, 38 cm, 50 cm, 60 cm, 70 cm, 77 cm

B = max. width of a print 48 cm

C = repetition of a print/pattern (every 48 cm)

The above dimensions are standard dimensions. If the need arises, it is possible to adjust many parameters individually.

Applications:

Our covers and towels find their use wherever hygiene and aesthetics are required.

They are applicable in medical and dental surgeries, beauty parlours, spas, etc.
The photos presented here only show a few basic applications.
